

Fresno Grizzlies Vs. Las Vegas 51's

Thursday, April 29

Mike Marando, OTS' Marketing and Public Affairs Manager, throws out the first pitch to kick off an exciting match at Grizzlies Stadium in April. And luck was on their side--under the setting sun the Fresno Grizzlies came out victorious with a 4-3 win over the Las Vegas 51's.

Local officers from the California Highway Patrol partner up with Vince and Larry, the Crash Test Dummies, to remind baseball fans to always buckle up--no exceptions!

Fresno fans crowd the OTS booth to challenge themselves with safety questions in hopes of taking home a fun prize. Always a big hit, the OTS team comes equip with plenty of scratcher tickets for kids and adults as a fun way to engage fans and educate them about bicycle helmet laws, child passenger safety and the risks of driving under the influence.

Vince & Larry get a kick out of one fan's interpretation of a seat "belt!" This gal gets high marks for being a traffic safety, and fashion, leader!

Vince shows off some impressive moves during the first ever "dance off" with Fresno Grizzlies mascot, Wild Thing! The crowd cheered and the two boogied down but in the end Wild Thing was the crowd favorite. Hopefully Larry was on the sidelines taking notes for next time!
